Please accept these comments as restated below from  
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 236A to Jacksonville, Texas as that community's second competing FM service. Jacksonville is an incorporated community with a population of 13,868 people.<sup>1</sup> Jacksonville has its own post office, its own fire department, its own city hall, public school system, police department and a number of local churches. The proposed channel 236A will provide additional diversity and an outlet for local self-expression to Jacksonville residents and therefore is in

the public interest.

Should this petition be granted and Channel 236A is allotted to Jacksonville, Texas, Petitioner will apply for Channel 236A at Jacksonville and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
